## HEALTH REQUIREMENTS/CERTIFICATE OF VETERINARY INSPECTION

All horses being exhibited at the Nebraska State Fair must meet all of the equine health requirements prior to entering the Nebraska State Fairgrounds or at unloading time, which are found at the following link: [2019 Equine & Equine Event Livestock Health Requirements](#). For questions regarding Health and Coggins papers, please contact Dr. Steve Krull, State Fair Equine Veterinarian at 308-367-6754 or Les Zadina, Equine Superintendent at 308-289-6511.

## INTRODUCTION

Team Penning, Arena Sorting and Ranch Sorting are all fast-growing sports that provide participants an opportunity to compete with other cattlemen in a family-fun atmosphere. Team members consist of men, women and children of all ages.

In 2014, we started something new—a 3D series format. This format can be ran on Ranch Sorting, Arena Sorting and Team Penning. With the new 3D format and no rider ratings or membership fees, we are easily adaptable to any event host needs, such as local fairs, hometown celebrations and the Nebraska State Fair.

Our mission is to establish producers across the state that will offer a variety of events. It is also our mission to make things simple and fun by using the new 3D format that requires no rider ratings and allows for more riders to be awarded paychecks because of the multiple divisions within an event. Just like barrel racing, it is broken down into three divisions after the last team has run the first go. Rather than one top 10, there are three top 10's depending on where your time falls. Normally, you would be out of the money by not making it back to the top 10. Whether you are an open or you are a novice rider, this format allows everyone to ride together and win checks.

We think you will see that we have found a way to package an exciting group of events, great fun for the whole family and a simple format that allows more people to earn a check.
